

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
BEAUMONT DIVISION

MARK A. LILLY	§	
VS.	§	CIVIL ACTION NO. 1:14cv257
C. SIRINGI, ET AL.	§	

MEMORANDUM ORDER PARTIALLY ADOPTING THE
MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION

Plaintiff Mark A. Lilly, an inmate at the Hughes Unit, proceeding *pro se*, brought this civil rights suit pursuant to 42 U.S.C. § 1983.

The court referred this matter to the Honorable Zack Hawthorn, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The magistrate judge recommends this action be dismissed for failing to state a claim upon which relief may be granted.

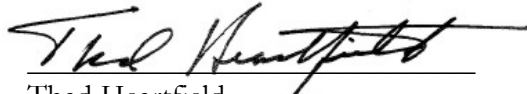

The court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such referral, along with the record, pleadings and all available evidence. Plaintiff filed objections to the Magistrate Judge's Report and Recommendation. Ordinarily this would require a *de novo* review of the objections in relation to the pleadings and the applicable law. *See* FED. R. CIV. P. 72(b). However, on June 26, 2015, plaintiff moved to voluntarily dismiss the action.

Plaintiff is entitled to dismiss this action pursuant to Rule 41(a) because the defendants have filed neither an answer nor a motion for summary judgment. *See* FED. R. CIV. P. 41(a)(1)(i). Therefore, the report will be adopted to the extent it recommends dismissal. The dismissal will be without prejudice.

ORDER

Accordingly, the findings of fact and conclusions of law of the magistrate judge are correct and the report of the magistrate judge is **ADOPTED** to the extent it recommended dismissal. A final judgment will be entered in this case in accordance with the magistrate judge's recommendations.

SIGNED this the **9** day of **July, 2015**.

Thad Heartfield
United States District Judge
